

South Pacific Spas by Fusion Pacific Accessories

Each corner of the compact has 4 capped inserts.
These inserts are used to mount the post holder for the umbrella.

Umbrella

The single pole umbrella enables shading over the hot tub or it can be turned to shade a patio table.

Steps

The double step matches the finish of the hot tub and it features a storage compartment under the top step.

Balboa Ozonator

Featuring UV technology, the ozonator operates at 110v and is matched with the Balboa control

LED Light

A 7 bulb LED light retrofits and adds a touch of ambiance.
